### Give a Coat and Share the Warmth

Cold weather is coming, and many people in Wadena and Otter Tail Counties are without warm winter coats. To help, WCTA is collecting clean, gently used coats (and hats, scarves, and gloves) to distribute to families in need. Bring your donations now until mid-December to the WCTA office in Sebeka or Menahga. We're working with the Mahube-Otwa Community Action Council to distribute the coats. If you're in need of one, please contact your county office.

## Celebrate National Co-op Month at Our October 11 Open House

October is National Co-op Month, and this year's theme is "Co-ops Commit." As your cooperative, WCTA is committed to this community and our members. Cooperatives benefit the economy of the communities served by returning revenues generated by the cooperative to local members rather than removed shareholders. Cooperatives are motivated by service to their members in addition to profit.

WCTA offers an ever-expanding list of communications solutions including:

- Broadband services such as digital TV, high-speed internet, and systems for security, surveillance, and monitoring
- Telephone, long distance, custom calling features, business phone systems. and more

We invite you to come celebrate National Co-op Month at our Open House on Wednesday, October 11 from 11am to 2pm at the Sebeka office. We'll have technology demonstrations going on throughout the Open House and there will be special deals on services, door prizes, free food, and fun. Look for more information coming in October, and make plans now to stop by this annual event!

The WCTA Second Year or Beyond Scholarship is given to assist local students attending college. We congratulate the six 2017 recipients below, who each received a \$1,000 scholarship.

## **Directory Photo Contest**

West Central Telephone is gearing up to bring you the new 2018 WCTA Directory, and your photo could grace the cover! The winner of the Directory photo contest will also win \$200 in cash. Submit your favorite photos at **www.facebook.com/WestCentral Telephone**. Be sure to include a sentence or two about each photo, such as where it was taken and why you think it would look great on the new WCTA Directory cover.

#### **Contest Rules:**

- Amateur photographers only; no professionals please.
- Contest open to West Central Telephone customers only; employees or directors of the cooperative or members of their household are not eligible.
- Each household may submit up to 10 photographs.
- Photos should be in digital form, at least 300 dpi, and preferably in jpg format.
- Name the photo files with your name and number of entry, such as: geri salmela1.jpg, geri salmela2.jpg, etc.
- Photos should not be altered or enhanced and should be taken within the WCTA territory.
- If the photo includes people, the individual(s) cannot be easily identified.
- Trademarks, commercial names, or advertisements must not appear anywhere in the photo.
- Photos must be submitted online through our Facebook page found at facebook.com/
  WestCentralTelephone; if Facebook isn't an option, you may email a photo to geris@wcta.net
  with "Photo Contest" in the subject line and your name, address, phone number, and brief
  description of the photo in the body of the email. Entries on Facebook are preferred.
- ABSOLUTELY NO PRINTED PHOTOS WILL BE ACCEPTED; DIGITAL COPIES ONLY.
- All entries will become the property of West Central Telephone; submission implies consent to use photos on the Directory Cover or in any other advertising campaign.

### Return to Sender: Address Unknown

Each year that WCTA is successful, our cooperative members are rewarded with a capital credits check. Some members move out of the area but forget to give us an updated address, or a member may no longer be living. In either case, the checks are returned to us. The members below all had checks returned. If you know the whereabouts of any of the people listed (or the administrator of the estate), please call us at 837-5151.

## **Problems Affecting Internet Activity**

Everyone complains about "internet" problems occasionally. Did you know it may not be your internet service that's the problem? It could be your home's Wi-Fi network, which will undoubtedly hit a snag every now and then. Or it could be an issue with a connected device or app. Here are some of the most common issues.

### Slow Speeds - Fixes:

- Move your router to its ideal position. For the best signal and coverage, put your router in an open space near the center of your home. The further away you are from your router, the slower your speeds will be. Keep it away from thick walls made of brick or concrete, and make sure it's not around metal items, which can reflect Wi-Fi signals. Better yet, have one of our technicians determine the best placement.
- **Protect your Wi-Fi network.** If someone nearby is leeching off your network, it can slow down your internet speeds. Set up security for your Wi-Fi network that includes a password.
- **Upgrade your internet plan.** Your current internet plan (which is generally faster with a wired connection) may not be fast enough to support all the users and devices in your home, regardless of how well placed and secured your router may be. If so, you may need a speed upgrade.

#### No Connection - Fixes:

- **Pull the plug.** Periodically, something glitches and the router or modem (or combination) just stop communicating. There isn't always an explanation. It just happens. Try disconnecting your router and modem from power, wait at least 30 seconds, then plug them back in.
- Give us a call. If the above fix doesn't work, we can help you get connected.

### Wi-Fi Doesn't Reach Certain Rooms - Fixes:

Add a wireless signal extender. If your home is larger than about 3,000 square
feet, getting good Wi-Fi signal throughout can be a challenge. Multistory homes
can also be difficult if the router isn't plugged into the broadband line somewhere
on the middle level. These situations may call for a wireless signal extender.

### App Freezes or Website Times Out - Fixes:

- Try deleting app and reinstalling. Sometimes, apps have bugs that cause them to freeze up or run poorly. Check with the manufacturer of the app if deleting and reinstalling doesn't help.
- You may have a virus or malware. Try cleaning your computer with an anti-malware program like Malwarebytes. Make sure your anti-virus program is kept up-to-date.
- **Update your device.** If you're still running Vista or Windows 7, more than likely the problem is your computer. The same goes for outdated devices including older iPads, tablets, smartphones, and routers. Technology changes fast, so a device that's a few years old may already be outdated.
