Register your Domain Name with your registrar. For example networksolutions.com or godaddy.com  
Configure DNS with your registrar to use NS3.WCTA.NET, and NS4.WCTA.NET

Registered Domain Name \_\_\_\_\_

Desired FTP User Name \_\_\_\_\_

Desired FTP Password \_\_\_\_\_

(FTP is used to upload web pages to the Web Server. We recommend that you create a unique password that would be hard to guess.)

Exercising web page storage options through the West Central Telephone Association Network and facilities, I agree to abide by the present and future rules and by-laws of West Central Telephone, including the Internet Acceptable Use Policy, which I have read. I understand that the content of the web page is subject to review by West Central Telephone. West Central Telephone reserves the right to refuse to store any web page which has content deemed inappropriate. I recognize that West Central Telephone Association offers no guarantee or warranty on the performance of its Internet connection, nor the performance of other networks. I agree to hold West Central Telephone, their officers, directors and agents harmless from any liability arising from special, indirect, or consequential damages including but not limited to lost profits, loss of opportunity, or any other loss which may result from the use of, misuse of, or lack of availability of West Central Telephone Association or their facilities.
