Unlimited data on all plans. Speed availability based on location, a wired connection and can vary by device and bandwidth usage. Internet plans require paperless billing with e-bill and AutoPay in some cases.

Manage MyWi-Fi

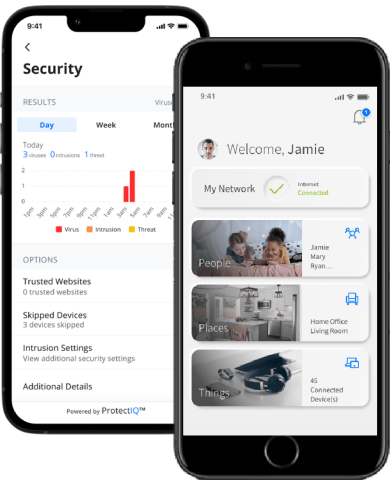

The Ultimate Wi-Fi Experience

All our internet plans include Manage My Wi-Fi. Our technicians will install and personalize your home wi-fi network ensuring strong, reliable signal in every room. Manage MyWi-Fi also includes...

- Automatic Updates
- Ongoing Support
- Built-in Cybersecurity
- Command IQ App

Get full control of your Wi-Fi with our CommandIQ app. Manage network access, restrict content, and monitor your Wi-Fi usage, all from your phone.

ProtectIQ

Keep Intruders Out

Add ProtectIQ and get network level protection from cyberattacks, malware, viruses and ransomware. ProtectIQ puts a shield on your devices, stopping threats before they ever make it to your device.

\$5/Month

ExperienceIQ

Online Safety Starts Here

Add ExperienceIQ and get parental controls with app filtering, time limits and app usage reporting. Create rules for users and devices and block inappropriate content.

\$5/Month

Phone Service

No Fuss Calling. Always.

\$35/Month

Phone Service Includes:
Caller ID | Voicemail

Popular Add-ons:
Smart Screening | Call Forwarding
Call Waiting | 3-Way Calling

Pricing subject to installation fees and applicable state and federal taxes and surcharges.
